NOTES AND ASSUMPTIONS:

1. The statistics are for phase one; Kasungu, Salima and Dedza.
2. The projected figures are based on the projected populated statistics (NSO) from 2015 up to 2019 calculated per district
3. Each district has its percentage population growth based parameters as calculated by NSO such as migration and growth rate per district
4. There is an addition 5% confidence interval added to the initial projected figure to cover for any possible in the calculations.
5. The projected figures were for the purpose of planning such as projecting election materials, phase and teams planning, transport and staff requirement, etc.
